

# ASSISTANT SIGNAL SYSTEMS ELECTRICIAN

## EMERGENCY APPOINTMENT OPPORTUNITY

Los Angeles Department of Transportation invites applications for the position of Assistant Signal Systems Electrician, an Emergency Appointment Opportunity. An Assistant Signal Systems Electrician assists a Signal Systems Electrician in installing, repairing, maintaining, and modifying electric and microprocessor based traffic signal control devices, and video and computer communication systems.

### REQUIREMENTS/MINIMUM QUALIFICATIONS:

- One year of full-time paid experience as a helper in electrical or electronic work and successful completion of 18 semester or 24 quarter units in electrical or electronics from an accredited college or trade school;  
or
- Two years of full-time paid experience as a helper in electrical or electronic work and successful completion of 9 semester units or 12 quarter units in electrical or electronics from an accredited college or trade school;  
or
- Three years of full-time paid experience as a helper in electrical or electronic work and successful completion of 6 semester or 8 quarter units in electrical or electronics from an accredited college or trade school.

### NOTES:

- All candidates must list their school name and location, course title with the number of semester or quarter units, and completion dates in the City application.
- Please note that qualifying education must be from a college or university accredited by a City of Los Angeles recognized agency. A list of approved accrediting agencies can be found at <http://per.lacity.org/Accredited%20Institutions%2008-21-08.pdf>
- Some positions may require a valid California Class B driver's license prior to appointment. A Class B license, a Rubber-Tired Tractor B Operator's license and a Hydrocrane Operator's license may be required for some positions within the first six months of employment. Candidates for such positions may not be eligible for appointment to these positions if their record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation (such as DUI). For positions requiring a valid California Class B driver's license, candidates must submit a commercial driving history in accordance with the California Department of Motor Vehicles CVC Section 1808.1.
- A recognized apprenticeship as an Electrician may be substituted for the required course work.

### APPLICATIONS:

**Electronic submittals are required.** Interested applicants should immediately submit a resume, cover letter, and three work-related references (include name, job title, affiliation, and telephone number) to:

Los Angeles Department of Transportation  
Email: [ladotcareers@lacity.org](mailto:ladotcareers@lacity.org)

Interested applicants should submit their resume package as soon as possible. Positions will remain open until a sufficient candidate pool is achieved.
