WOMEN IN NON TRADITIONAL EMPLOYMENT ROLES

## CONSTRUCTION TRAINING

*"Train in a learning environment that supports women in non-traditional careers."*

**Full-Time: 10-weeks**  
**Mon-Thurs : 7:00 am—3:00 pm**

- Introduction to Union History and Different Trade Apprenticeships
- Site Visits (tours of different apprenticeship training centers)
- Construction Math/ Blue Printing Reading/Mechanical Reasoning
- Introduction to Hand and Power Tools / Hands on Projects and Volunteer Opportunities
- Green Construction and General Awareness of Hazardous job sites

"Today more than ever before, the world's population is aware of its effect on the global environment. This has led to a surge in environmentally friendly jobs, including environmental science, environmental protection officers, outdoor educators, environmental compliance inspectors and HAZMAT environmental cleanup jobs."

## CERTIFICATIONS

- 30Hr. OSHA
- 40Hr. HAZWOPER
- CPR/First Aid
- Pre-Apprentice
- \*Additional Certifications with referral of gainful employment are Refinery Safety Overview (RSO), Confined Space, and Forklift

Partially funded by the U.S. Department of Labor WANTO, as implemented by the U.S. Department of Labor - Employment and Training Administration."

**Do you need to have a High School Diploma or GED to attend your training?**

No, WINTER works with some construction industries that do not require a High School Diploma or GED; but, WINTER encourages everyone to get either one.

**Do you need to have a valid driver license?**

No, but once you apply with an employer, you should have a valid driver license and reliable transportation.
