

# Building **LINCS** for SUPPLY CHAIN MANAGEMENT

Funded by a grant from the Department of Labor's Employment and Training Administration, Long Beach City College is part of a consortium of community colleges nationwide that is developing curriculum and certifications in the following Supply Chain Management areas:

1. Supply Chain Management Principles
2. Customer Service Operations
3. Transportation Operations
4. Warehousing Operations
5. Demand Planning
6. Inventory Management
7. Manufacturing & Service Operations
8. Supply Management & Procurement

The programs developed by the consortium are meant to provide workers with skills suitable for entry and middle-level employment in supply chain management. Certifications will be endorsed by the Council of Supply Chain Management Professionals.
